

## My History game

Grab a museum map showing the different galleries in the museum. While in each of the galleries, ask your child to choose his/her favorite artifact from that gallery and write down or draw a picture of the artifact below. Or, take a photo of the child near the artifact they choose (please, just remember – no flash photography and no touching the artifacts!). Don't forget to end your visit with a trip to the gift shop to find a keepsake related to your child's "favorites"!
